

# Honeymoon In The Caribbean Islands

*by Valorie Jay*

## Planning Your Honeymoon

Sometimes because of finances, timing, or something else, some newlyweds choose not to take a honeymoon, but if you are able to, you should. After the mental anguish and energy you put into orchestrating your wedding and the excitement of the big day itself, you will definitely want to take some time away to relax. And it will be priceless to be able to spend time with just each other before you have to get back to reality.

Here are a some tips to assist you in planning your perfect honeymoon:

1. Begin saving for it early. Whether you know where you are going right away or not, start squirreling away money now. If you fail to include it into your savings budget from the beginning, you might find yourself lacking in funds when it counts.
2. Set aside some time with your future spouse and dream of your honeymoon destination together. This can be a nice relaxing time and give you something to look forward to. Would you like to go to a ski resort, a cattle ranch or a tropical island? You want both of you to enjoy it, so make sure you agree before you make any reservations.
3. Be aware of the weather. Going to the Carribean may seem like a dream come true, but hurricane season can quickly turn it into a nightmare. You might want to consider an island such as Aruba, because it is located south of the hurricane belt.
4. Utilize a travel agent. They will generally be able to score the best packages. Besides, you have enough work planing the wedding, so let someone else worry about getting the cheapest hotel rate and coordinating flights.
5. If you decide to travel out of the country be certain that your passports are current. Brush up on the local laws and see if you will have to have any added paperwork.
6. Take along extra spending money. Meals and outings are expected, but you are sure to pick up some special souvenirs too. You want to come up short on your honeymoon.
7. Make sure you let the restaurant where you are making any reservations know that you are on your honeymoon. Many establishments will give you special treatment. Your hotel might upgrade you to a more expensive room or give you some complimentary champagne. Most restaurants will provide free dessert or drinks to honeymooners, and make sure you request one of the best tables. Many times restaurants will save the seats with the nicest views for honeymooners.
8. Don't do too much. Sightseeing and outings are fun, but make sure you save some time to just sit back, relax, and enjoy being with each other. You deserve it!

## Caribbean Travel

When it comes to vacation destinations that are all about having fun in the sun, nothing beats the Caribbean. Situated just to the south and east of Mexico and north and west of Venezuela, South America where the waters are clear and the sun is hot, a Caribbean travel vacation has something for everyone - whether you are one for water sports, hiking, swimming, diving, and just plain frolicking in its white sand beaches.

But traveling to a hot destination like the Caribbean can be quite expensive, and for this reason, many people balk at the idea of a Caribbean travel. Indeed, why spend so much on a single vacation when you could visit much cheaper vacation destinations? Never mind if these places don't even come close to what a Caribbean travel entails.

Ah, but what if we told you that there's a much better way to spend a vacation? What if we told you that you can go on a Caribbean travel vacation without having to spend a lot of your hard-earned money?

A Caribbean travel for less! Now, there's a thought.

Below are four chic hotels where you can keep the island flavor high and the prices at a bare minimum while on a Caribbean travel vacation:

### Flash and Glamour - Anguilla

The most northerly of the Leeward Islands in the Lesser Antilles, Anguilla is an island known for the flash and glamour of many of its resorts. For this reason, the island is a popular Caribbean travel destination for many visitors who want to bask in the compelling charm, romance, and excitement that the islands are known for.

Rendezvous Bay Hotel & Villas may not have all that flash and glamour, but it lacks in that department, the hotel makes up for its location and fantastic rates (starts at \$130 while villa costs \$275). This Caribbean travel resort hotel offers 46 rooms, all sitting directly on 50 palm-laden acres of fronting a 1 \_ mile long sugary sand beach. The resort has been recently renovated, offering white tile floors and simple rattan furnishings, and is divided among a dozen low-rise buildings.

Another worthy hotel group is Ku, its name meaning "sacred place" in the Arawak Indian language. With room rates starting at \$295, this 27-suite hotel overlooks Shoal Bay East and are South Beach-chic, with minimalist white décor, air conditioning, and full kitchens.

### Honeymoon Favorite - Antigua

Located just south of another popular Caribbean travel destination of Barbuda, Antigua markets itself as a luxury Caribbean travel escape. Its many hotels and resorts located around the coastline are all favorites when it comes to honeymooning while on a Caribbean travel.

While you don't have to be on your honeymoon to enjoy Antigua's island charm, the Cocobay Resort's location on a hillside facing the Caribbean Sea makes for a very romantic atmosphere. The idyllic hotel is made of 47 Creole-style cottages in soft pastel hues with rates that are very affordable at \$240.

**Hybrid Beat – Bahamas**

If you want a decidedly patrician vibe during your Caribbean travel vacation, then the Landing, a seven-room inn on Harbour Island is exactly for you. There are no televisions, no phones, or Internet connections – things that distract you from the sheer beauty of the beach a few blocks away. And for only \$240, you can get one of the bay-view rooms, which offer the best views of the harbor and comes with crisp white linens, terraces, and four-poster beds.

## Caribbean Travel Guide

All there is to know about the vacation destination of your dreams – that is exactly what a Caribbean travel guide offers. But are Caribbean travel guides really godsend? Or are they just patronizing materials designed for commercial purposes?

Well, they're a little of both actually. After all, the people behind Caribbean travel guides do need a source of income in order to continue to publish their guides. But a tremendous amount of research has been placed in these guides to just dismiss them as useless resource material.

What else is more nifty, informative and convenient than a Caribbean travel guide?

Sure, the Internet may prove more updated when it comes to information, but you can't carry the Internet everywhere. And believe it or not, it's always much more gratifying to pull out a Caribbean travel guide from your carry case, flip a few pages open, then slip it right back when you're tired of reading. It sure beats having to wait in the airport, sitting bored silly and wondering whether or not your flight's going to be delayed.

That said, don't cling to travel guides religiously. Many travelers make that mistake. They are not the bibles that they are made out to be by some people. You should know that published materials, including travel guides, are out of date the moment they are published, because by then, there would have been new updated material that came up and it would be too late to include them.

So, how are you supposed to use Caribbean travel guides then? How would you know which information to believe and which facts are outdated? Unfortunately, there is no exact answer to that. To get the most out of your Caribbean travel guide, use them sparingly for basic orientation. So once you have the basics right down to a tee, go out there and discover the towns and cities on your own. That is, after all, what traveling is all about – adventure and discovery of new things. At the very least, when all other signs look foreign, the information on museums and places of interest are great.

However, when it comes to hotels and restaurants, each to his own taste and budget. Remember that bargains rise in price with popularity, so there's every bit of chance that that hot new deal in your Caribbean travel guide isn't much of a deal anymore, considering how pricey it has become. And then sometimes, too, the places get easily full with foreigners and travelers like you, so you can't always expect your Caribbean travel guide to point you in the right place all the time.

Then, if you do wander around on your own, then you will surely find quality rooms with reasonable prices. They may be located in out-of-the-way places that Caribbean travel guide writers may not know about. Remember that because you in the destination, you are in far better place to get what you want out of your vacation.

So to close it off, don't be a sad type who writes to say that "it wasn't like what you said in the book." Here's a tip: open your eyes and explore for yourself!

---

---

## Caribbean Island Travel

Some call it "paradise." Others call it "heaven on earth." Well, one thing is for sure, a Caribbean island travel is exactly what you need if you're looking for beaches, boats, banks, bikinis, and other tropical vacation essentials.

Located right at the tip of South America and surrounded by the Gulf of Mexico on one side and the Atlantic Ocean on the other, the Caribbean is not just the No. 1 playground for the Americas, but also comprises movie-set beauty, coconut tree-clad mountains, verdant valleys of sugarcane and bananas, and seashore galore. Even the cities here glow with glorious architecture and the towns dotting the region have been established long before the automobile.

The islands are awash with island-flavored culture with just the subtlest hint of European influence, and world-class hotels, resorts, restaurants, activities, attractions, and shopping. There are over fifty island destinations to choose for your Caribbean island travel and each has its own extensive catalogue of accommodations and activities for the Caribbean's famous exotic warm weather.

Below are our top picks for an awesome Caribbean island travel:

### New Providence, the Bahamas

Most visitors erroneously call it "Nassau" because the island is the site of the nation's capital, which was named after the Dutch Prince of Orange-Nassau in 1695 after he took over the British throne. In truth, the island is New Providence where about two-thirds of the Bahamian population lives, and where millions of dollars are invested in Nassau, Cable Beach, and Paradise Island. In recent years, New Providence has created a name for itself as one of the top places to visit when on a Caribbean island travel.

Considered an offshore financial center, New Providence is most obviously a fabulous shopping bazaar and Caribbean island travel destination. Stroll along the world-famous Bay Street and side streets and bask in the Caribbean carnival atmosphere. Or visit one of the out islands of the Bahamas – the famous Nassau and Paradise Island, connected with each other by a bridge.

But while the Bahamas has plenty to offer, what it is really most famous for is its island groove. The drumbeat is the essence and the soul of Bahamian culture with the instrument setting the heartbeat for all Bahamian music, including rake 'n scrape, Junkanoo and goombay.

### Bermuda

An isolated paradise, Bermuda sits right in the middle of the great chasm – the Atlantic Ocean between North America and Europe. Couple that with a history of English settlement and you have an island that is as unique as its topography. This Caribbean island travel destination is spotlessly clean, quaint, orderly, and extraordinarily pretty. Think pink and green. Pink for the pastel shades that wash this 21-square mile island. And green for the color of money that Bermuda's offshore banking and insurance sectors generate. Plus, it is only a convenient 2 \_ hour flight from most major cities on the US East Coast.

There are no slums, no billboards, and very, very few fast food outlets. Inconvenient? Not likely. Because all this is minor compared to the glorious sight this Caribbean island travel destination offers. From the colonial architecture of the tidy homes that line its roads to the fragrant tropical flowers – Bermuda is all beauty and grace.

---

Caribbean Luxury Travel

Are you up for a little eco-luxury? Tiamo, an earth-friendly resort made up of a row of wooden cottages that are chic and simple at the same time, provides the ultimate in Caribbean luxury travel. Scattered along a quiet strand of white powder on Andros island in the Bahamas, this Caribbean luxury travel resort is surrounded by orchids and giant lizards and offers nothing but relaxed comfort and ecological correctness. This Caribbean luxury travel resort offers the perfect antidote to the Caribbean's more familiarly hedonistic piña colada and party resorts. At Tiamo, the Caribbean is reduced to barefoot luxury – polished and refined yet set in an environment that can only be described as natural.

Out of all the Bahamian islands in the Caribbean region, Andros is one of the less well-known. And yet, its subdued allure is what makes it even more appealing as a Caribbean luxury travel destination. With an area of 2,300 square miles and home to only 8,000 people, it is one of the least explored places in the western hemisphere.

However, don't even for a second think that Andros is just one of those dime-a-dozen island destinations which the Caribbean is full of. Andros is the largest island in the country so you have plenty of grounds to have fun and enjoy the warm Caribbean sun. And because the island is yet undeveloped, there are few phones, few bus lines, and other facilities that could distract you from your relaxing vacation.

In truth, the island is not just one island but a group of islands tightly meshed into one archipelago. With its rocky shores and a web of creeks, this Caribbean luxury travel destination has never offered the kind of obvious harbor found on other Bahamian islands so, apart from the odd fishing lodge and Caribbean luxury travel retreats, development has largely bypassed it. However, what has made the island unsuitable for urban evolution makes it perfect for eco-tourism.

The Caribbean luxury travel resort of Tiamo is remote, even by Andros' standards. Set three, road-less miles from the nearest village and surrounded by palm trees, banana plants, orchids, herons, tiny tree frogs, and some vicious mosquitoes, Tiamo is only accessible to guests by boat. Relying on its solar power system and solar-heated rainwater showers, the resort stays true to its ecological philosophy but at the same time offers you with an idyllic retreat is incomparable anywhere else.

Tiamo's wooden cottages come with massive beds, hand-painted "do not disturb" signs, brightly tiled mirrors and showers lean towards safari-chic, especially when taken in with their painted, corrugated-iron walls. And in a clever twist on recycling, even the wood left over from building the cottages were used to build this Caribbean luxury travel resort's funky outdoor furniture.

But while the interiors are outstanding, the main features of all the cottages though are their open porches. They have fans rather than air conditioning, but you don't need to worry about the heat. The open sides of the cottages are designed to help keep temperatures down. Climate control aside, the real beauty of these porches is that they offer you panoramic views of the forest and the beach.

---

Caribbean Travel Package

It's not everyday when everything – from a good Caribbean travel package to the weather and your budget – just magically convenes into one single, perfect and fun Caribbean vacation. That stuff is for fairytale vacations, certainly not for simple, ordinary folks like you.

At the very best, you probably find a so-so Caribbean travel package that is slightly cheaper than the last one you checked out but has better options than that other cheap one you were considering. So you come home, work out a Caribbean travel plan and budget, and then log on to the site to book the package...only to find that the deal is already fully-booked. Just your luck.

One thing you should remember about Caribbean travel packages is that they are often offered only for very a limited period. So why wait? If you want to get that Caribbean travel package you want and get an edge over the competition, then do all that planning and budget analyzing BEFORE you search for deals.

And once you're done with that, check out the list of Caribbean travel package resources we have compiled for you below:

[TripAdvisor.com](#)

TripAdvisor is a travel site that offers reviews of hotels and accommodations, food, activities, airfare, transportation, cruises, resorts, and many more from destinations worldwide. For the best deals, you can visit TripAdvisor's SmartDeals page where you can find great Caribbean travel packages on the best hotels in the Caribbean.

[AmericanExpress.com](#)

For some people, last-minute bargains can be a great source of excellent travel deals. If you're a haggler by nature, one who wants to haggle even when pressed for time, then American Express' Last Minute Caribbean travel packages might just be what you're looking for. The site offers current listings of their bargains and specials so check back often. If you don't find what you're looking for on the first page, there is also a search tool where you can search for bargains by destination, travel option or activity.

[Travelocity.com](#)

If cruises give you a different sort of high, then Travelocity may have the right Caribbean travel package cruise. Just check out their list of Cruise Deals, including their Biggest Sale of the Year cruises where you can book a qualified cruise and get up to \$500 cash back.

Or maybe you'd like to receive a free digital camera, then go on and book one of Travelocity's Caribbean travel packages on board any of the Celebrity or Royal Caribbean cruise ships. Other deals include:

- Free shore excursions
- \$400 onboard credit and pre-paid tips
- Free oceanview upgrades
- Onboard amenities package worth \$200 or more
- Free round-trip airfare

[Cruises-n-More.com](#)

Another great source of Caribbean travel package cruise tours is Cruises-n-More. Offerings are updated daily so be sure to check their inventory of Caribbean travel packages often

to get the latest offerings from them. The site even allows you to choose a cruise that is close to your home or choose one by destination, month, cruise length, and cruise line. At Cruises-n-More, everything is right at your fingertips.

## Caribbean Travel Magazines

The Caribbean. Ask anyone and you'll find that the word is nearly synonymous with fun and relaxation. That's pretty obvious. When you want to travel, those are the only things you want to experience. And what better way to have the ultimate experience on fun and relaxation than to know more about the place you're visiting? This is where Caribbean travel magazines come in.

From the mundane to the spectacular, from the humdrum to out-of-this-world spectacles – these are what Caribbean travel magazines have in store for you. For all the necessary information and minor details about how life is like in the Caribbean and some travel tips and vacation ideas, pick one of these babies from any newsstand and magazine store at the airport and learn about your ultimate vacation destination.

Below is a list of our top picks of Caribbean travel magazines. Take time to browse through these Caribbean travel magazines and when you're done, see if you can't be as knowledgeable about the famous islands as any local tour guide.

### Port Hole Cruise Magazine

If your Caribbean travel is all about cruisin' and cruises, then the Port Hole Cruise Magazine might just serve as your ultimate resource guide. Whether you are a first-time cruiser or a veteran sailor of the high seas, you will certainly want a copy of this Caribbean travel magazine for tips on who, what, when, where, and how to go on a dream Caribbean cruise.

Entice your senses. Trigger the explorer in you. Let the pages of this magazine answer all your cruising questions. The Port Hole Cruise Magazine comes out twice a month, setting a non-stop course to become the cruise vacation source.

### Caribbean Travel & Life

For the beach bum at heart, the Caribbean Travel and Life Magazine presents the perfect opportunity on how to bum it all out in the islands. This Caribbean travel magazine offers hotel and resort reservations, travel specials, free travel info, marketplace (rental property listing and classified ads), and contests – everything you could ever want.

Simply visit this Caribbean travel magazine's site at [CaribbeanTravelMag.com](http://CaribbeanTravelMag.com) and fill up the form provided to get a free complimentary issue of Caribbean Travel & Life. Every issue of this Caribbean travel magazine is devoted to exploring the Caribbean islands, one of the most fascinating regions on the planet.

### Caribbean World

As the first Award Winning quarterly Lifestyle & Caribbean Travel Magazine in the World, the Caribbean World features its best section yet, called the Island Focus where the ingenious writers of magazine focus on one out of many enchanting islands in the Caribbean and tell you all about its nitty little details from local legends to fabulous attractions. Other sections of this Caribbean travel magazine are hot gossip, fashion, food, sports, and weddings.

The Caribbean travel magazine also gives you a list of monthly events and happenings all over the island, complete with date and some tips on how to best enjoy yourself on such a day. Indeed, the Caribbean World offers so much that even John Jefferies, Chairman of the Coco Reef Resorts in Tobago said that the success of the magazine over the last ten years "is due to a rare combination of great journalism, mauvais langue, cutting-edge features, and a rare style that pleurably informs the readers."

## Caribbean Vacation Travel Cruise

A Caribbean travel vacation cruise has much to offer to sophisticated travelers who recognize the great value in traveling to the islands. If you want a vacation that is rich with culture galore, quaint architecture, seas to explore, fantastic swimming and snorkeling, then the Caribbean has it and more.

Here, you will find some great Caribbean vacation travel cruise offers that are guaranteed to give you the best value in cruise traveling.

### A Seven-Night Dream

Dreams become reality when you find yourself floating through warm, welcoming waters of the Caribbean on one of several Caribbean vacation travel cruise ships. Enjoy the sun, sand, and surf of a picture-perfect island during brief land excursions in any one of your ports of call and spend the day indulging in duty-free shopping, diving in clear blue waters, or exploring Mayan ruins.

With the coming of the cold months, the Royal Caribbean, one of the leading cruise lines on the islands, is offering many fantastic Caribbean vacation travel cruise offers to its visitors who opt to book early. One of these is the seven-night dream Caribbean vacation travel beginning at \$478 per person, the cruise and featuring fabulous inside cabins where you can get excellent views of the dazzling ocean.

The Mariner of the Seas, which departs from Port Canaveral, Florida and takes you to four different ports of call where you can go on brief land excursions - Labadee, Hispaniola; Ocho Rios, Jamaica; George Town, Grand Cayman; Cozumel, Mexico - before you cruise back to Port Canaveral in Florida.

The Voyager of the Seas lets you start your Caribbean vacation travel cruise fun in Miami, Florida, and making brief stops in Hispaniola, Jamaica, Grand Cayman, and Mexico. The ship offers you four kinds of room accommodations, ranging from \$549 to \$2,049.00.

Other midsize ships mean a more spacious and comfortable Caribbean vacation travel cruise, with all the service and amenities you'd expect, but no waiting in long lines for meals or port of calls.

### Three-Night Enchantment or Four-Night Excitement

Few places on earth are more conducive to relaxation than the islands of the Caribbean. Perhaps, it's the light, tropical breezes that gently soothe the soul. Or the warm waters and warm receptions that await you on every shore. One thing is certain: aboard a Celebrity Caribbean vacation travel cruise, a Caribbean vacation offers something for everyone.

But if you want your Caribbean vacation travel cruise to be brief but enchanting, the Caribbean vacation travel cruise offers several short cruises for your pleasure. You'll find short Caribbean vacation travel cruises, just three nights long, out of San Juan, Puerto Rico, for as little as \$289 per person.

Or consider a bit longer, western Caribbean vacation travel cruise, four nights starting at \$349, on the Enchantment of the Seas. Take a four-night Western Caribbean vacation travel cruise aboard the Century for only \$330, starting from Miami, Florida. The cruise provides you with all the amenities you could ever wish from, from shipboard accommodations to ocean transportation, meals, beverages, and entertainment aboard the vessel.

## Caribbean Travel and Life

Wondering where to go? In the Caribbean travel and life, that is no big problem. Just scroll down below to find whatever it is you are looking for – balmy weather, clear blue skies, glorious seas, luxurious lodgings, fine food, sports, sights, entertainment, even lazy days for lovers, all under the warmth of the Caribbean sun.

## Textual Map

Well, it's a bit difficult to describe the Caribbean in geographic terms. Just know that the region is actually a group of islands, territories, and countries located just south and east of the Gulf of Mexico and right in the middle of the Caribbean Sea. The following are the islands that are favorite Caribbean travel and life destinations since time immemorial:

- ∑ Anguilla
- ∑ Antigua and Barbuda
- ∑ Aruba
- ∑ The Bahamas
- ∑ Belize
- ∑ Barbados
- ∑ Bermuda
- ∑ Bonaire
- ∑ British Virgin Islands
- ∑ Cancun
- ∑ Cayman Islands
- ∑ Cozumel
- ∑ Cuba
- ∑ Curacao
- ∑ Dominica
- ∑ Dominican Republic
- ∑ Grenada
- ∑ Guyana
- ∑ Guadeloupe
- ∑ Haiti
- ∑ Honduras
- ∑ Jamaica
- ∑ Martinique
- ∑ Montserrat
- ∑ Puerto Rico
- ∑ Saba and St. Eustatius
- ∑ St. Barthelemy
- ∑ St. Kitts-Nevis
- ∑ St. Lucia
- ∑ St. Maarten and St. Martin
- ∑ St. Vincent and the Grenadines
- ∑ Trinidad and Tobago
- ∑ Turks and Caicos Island
- ∑ U.S. Virgin Islands

## Activities

There are many exciting activities available to you throughout the Caribbean. In fact,

this is one of the reason why Caribbean travel and life is so popular among visiting tourists. Because when you are on the islands, it doesn't matter who or what you are – the islands always have something to offer for everyone.

Caribbean travel and life offer all-inclusive resorts where you can enjoy everything for a single price. One of the popular places that offer all-inclusive Caribbean travel and life is Sandals, located in the Castries area of the Caribbean Island of St. Lucia.

The resort offers two properties – St. Lucia Regency Golf Resort and Spa, a couples-only resort of over 200 acres of rolling hills and a beautiful half-mile beach, and the Sandals Halcyon, another couples-only resort. Sandals Caribbean travel and life all-inclusive packages are geared towards awesome beaches, a great scuba-diving program, water sports, and fitness centers.

If you like casino gaming, Caribbean travel and life offers you that as well. Head on over to Belize, Puerto Rico, Jamaica where the groovy beats of the island makes for an excellent island-flavored nightlife. Play a game of chance and feel like you're in Las Vegas as you pit fortunes with the house and maybe win a few chips here and there over a round of roulette. Then quench your thirst with a few glasses of sparklies as you laugh and talk and socialize to your heart's content.

Besides fun and socializing, Caribbean travel and life also offers you a chance to get closer to nature. The Caribbean offers several eco-tourism where a guide takes you into the deepest rainforest reservoir where you can experience first hand some of the rarest and oldest species of flora and fauna found on earth.

Other activities you can enjoy in a Caribbean travel and life include:

- Cuisine
- Golf
- Health and fitness spas
- Meeting and conventions
- Participation sports
- Sailing and charter boats
- Scuba diving
- Spectator sports
- Water sports
- Weddings and honeymoons

## Caribbean Travel Agents

For the best professional advice on Caribbean travel, you need professionals to do the job for you. Caribbean travel agents are exactly the kind of people you are looking for. ## Caribbean Family Travel

One thing you can really say about the Caribbean is that it is a very popular destination for families. That's because a Caribbean family travel usually means more fun and features in an all-inclusive resort. Family packages may typically offer the following:

- Beach and water sports
- Luxurious swimming pools and water slides
- Kid-friendly programs and family activities
- Meal-time convenience and drinks on tap
- Grown-up pampering like spas, dining, cocktail parties, etc.
- Baby-sitting and other services
- Great family rates

However, there are times when there's just too many all-inclusive Caribbean family travel resorts out there that it's difficult to choose just one. Given the dollar cost and emotional investment, the stakes are high. How do you know which one suits you and your family best?

### All-Inclusive, All-Included

When you say all-inclusive, it's natural to assume that the package includes everything. But remember that an all-inclusive Caribbean family travel includes almost but not quite everything. So you got all meals and snacks, drinks, kids' programs, and certain water sports and other activities but not all of them.

Take note of the following:

- Non-motorized water sports are generally included, such as kayaks, wind surfing, aqua-trikes, etc. If you want the motorized ones, like jet skis and water skis, it may cost you.
- Gear for snorkeling is often free, but there may be a limit as to how long you can use them. And if you want to join a snorkeling boat trip on your Caribbean family travel, it may cost you extra.
- Scuba is generally extra.
- Spas are always extra, unless you got one of those special Caribbean family travel.
- Off-property outings are extra, though a shuttle bus to a nearby town may be free.
- Some non-all-inclusives offer plans that include meals and/or activities.

### Kids' Club

Every all-inclusive Caribbean family travel package offers this. Many are "friendly little clubs", cute spots with one or two rooms with toys and TV and maybe video games for kids ages 4-12. A warm and friendly staff is always there to provide them with care.

But if you want your kids to enjoy the multi-program type, most all-inclusive resorts have this actually. Here, there are different places and programs for different ages. Some worthy names that offer this feature in their all-inclusive Caribbean family travel specials are Club Med in Punta Cana, Beaches resorts and Atlantis in the Bahamas.

### Babies and Toddlers?

More and more Caribbean family travel resorts are now providing nurseries and infant care for guests traveling with their babies or toddlers. This is welcome break for you, moms, because even if you only leave your kid for a few hours in the nursery during nap time, that short amount of time can be invigorating and gives you a chance to enjoy your Caribbean family travel vacation yourself.

If you're worried whether on-site doctors or nurses are available, try one of the bigger Caribbean family travel resorts. They're your best bet. And lastly, as a miscellaneous tip, be sure to double check the site where you booked your Caribbean family travel to make sure that the baby-club will actually be up and running during your trip.

## Discount Caribbean Travel

Even if your budget is tight, you need not spend it in a cheap hotel. You can still have a vacation that comes with romance in mind and luxury hotel amenities, such as 24-hour room service, designer bed linens and a concierge who will book dinner, concert, or theater reservation, even with a discount Caribbean travel plan. All you really need to know is where you can find the best discounted deals, specials, and packages.

Below are our top picks for discount Caribbean travel deals:

## Quikbook.com

If you're looking for drab \$49.95 hotels, don't visit here. This site is not for cheapies, but it does offer you great discount Caribbean travel packages from some top of the line hotels all around the U.S., Canada, the Caribbean, and the rest of the world.

The quickest way to book a discount travel deal at this site is to use their online search tool where you can find the perfect deal by destination, arrival date, price range, neighborhood, and number of nights and rooms.

You can also find a specific hotel by simply choosing a destination and the site will automatically direct you to a page listing all the discount Caribbean travel accommodations that are affiliated with Quikbook.com.

Do you want to know where you can find discount Caribbean travel deals on hip hotels with premier collection and spa treats? The Quikbook.com site has all that as part of their Great Getaways collection, plus additional discount features like seaside favorites, family fun, golf getaways, casino hotels, and all-inclusive resorts.

## AllLuxuryHotels.com

If you want guaranteed lower rates, then be sure to visit All Luxury Hotels. The site offers a triple guaranty of lower rates, payment security, and privacy for nearly 100 domestic destinations and close to 50 international cities, including Europe and resort cities in Mexico.

When you book a hotel reservation through All Luxury Hotels, you are guaranteed to get the best discount Caribbean travel package there is. What's more, if you find out that there is another lower rate available for the same dates and the same hotel you've already booked, you can contact All Luxury Hotels within 24 hours of booking and they will either refund you the difference or cancel the reservations without penalty.

## LuxRes.com

Calling itself as "definitive source of luxury travel", you may find it surprising how much discount Caribbean travel packages you can find here. LuxRes.com offers hotel rooms at up to 40 percent discounts off typical rates. And to think that the hotels included in their roster of discount Caribbean travel accommodations include the very upscale Raffles, Relais & Chateaux, and The Leading Hotels of the World Brands.

Aside from that, LuxRes.com also offers vacation packages, spa stays, cruises, and car rentals, all at discount prices.

## ClassicVacations.com

It's not called "Classic Custom Vacations" for nothing. For great customized luxury vacations tailored to fit your vacationing needs and budget, ClassicVacations is exactly what you're looking for. Here you can customize your own discount Caribbean travel by

choosing any of their first-class airfare for less and list of discount hotel rates. When you're done personalizing your Caribbean dream vacation, top off the whole process by calling the toll-free number provided at the site so you can speak to a Classic Custom Vacations travel agent who will help you finalize everything.

## Cheap Caribbean Travel

When it comes to island destinations, the Caribbean and its islands are one of the most popular vacation spots in the world. Here you can have the best of everything from gorgeous beaches, wonderful surf, sailing, scuba diving and snorkeling, to great food, exciting gambling casinos, shopping, and a wide range of nature-related activities. And accommodations? No problem! With cheap Caribbean travel plan, you can get a whole range of affordable accommodations from basic to the most luxurious all inclusive-resorts and rental villas.

Scroll down below for a list of our cheap Caribbean travel accommodations picks.

### Dover Beach Hotel

A place that epitomizes Barbadian hospitality, the Dover Beach Hotel offers you cheap Caribbean travel accommodations tucked away on a secluded white sand beach where island warmth, peace, and tranquility are in abundance.

Located a mere 15-minute drive from either airport or from Bridgetown, the Dover Beach Hotel is also right within walking distance of the St. Lawrence Gap, famous for its lively nightlife, duty-free shopping and many bars and restaurants as well as other activities.

All accommodations at this cheap Caribbean travel hotel are either seafront or garden views with air-conditioned bedrooms, kitchenette, telephone, and private patio or terrace. There are weekly cocktail parties and nightly events. Amenities and facilities available include the following:

- Children's rates
- Restaurant
- Convenience store
- Laundry service
- Baby-sitting
- Nearby shopping
- Nearby tennis
- Nearby banking
- Air conditioning
- Ceiling fan
- In-room safe
- Beachfront
- Bar
- Children-friendly
- Cribs
- Daily maid service
- Pool
- Nearby water sports
- In-room kitchens
- TV available
- Telephone in a room
- Bath tub
- Private balcony
- Fax available

### Morne Fendue Plantation House in Grenada

What's old is new again as Grenada's historic Morne Fendue Plantation House adds not, not two, but thirteen new guest rooms. Since 1974, the Morne Fendue has been welcoming visitors where they can enjoy overnight accommodations at this glorious estate. Each room offers cheap Caribbean travel accommodation for two guests with enough comfortable space

to go around and a generous queen-size bed and modern bathroom facilities. What's more, the rooms also offer access to the estate's grand kitchen. But the highlight of each guest room is definitely the extensive balcony that overlooks scenic Mt. St. Catherine and the majestic sea where you can get excellent sunset views of the cheap Caribbean travel destination of Grenada.

Nevis and St. Kitts

For cheap Caribbean travel accommodations in the islands of Nevis and St. Kitts, try the following places:

Jonathan's Villa Hotel at Mount Lily, Nevis offers seaside charm and great secluded spots.

Yamseed Inn at New Castle, Nevis is a quaint little inn, offering comfortable accommodations for a reasonable price.

For guest houses, try Al's Cottage at Farm's Estate in Charlestown, Nevis. You can also try Meadville Cottages, Cabindish Villa, Pinney's Village Complex, and Central Cottage – all of which offer cheap Caribbean travel accommodations at convenient distances from the most happening places in the region.
